Report of Principal and School Improvement Council

At Ebenezer Middle School, the faculty and staff are committed to providing a quality education for all students in a safe and orderly environment. Students, parents, faculty, and staff support each other in our endeavor to achieve this goal.

We started two new programs at Ebenezer this year. Our After School Program provided students with the opportunity to receive help with homework and attend a class focused on the student's academic needs. Tutoring for ELA and Math were held on different days so that students who needed help in both subjects were able to attend each tutoring session. Due to receiving the Patriot Grant, we have been able to offer Science, Technology, Engineering, and Math (STEM) projects during the school day. Robotics has been a very popular part of this grant.

As we continue to meet the challenges of improving student achievement, teachers and administrators recognize the need to stress active learning, academic rigor, and high expectations. In addition to SC PASS data, the analysis of MAP data helps strengthen and improve instruction. The use of technology is important to insure classroom resources are up-to-date and relevant. Computers and Promethean boards are available not only in the classroom but also in labs. District, as well as in-house, training is provided for teachers to stay current in the use of technology and to plan cross curricular activities. For students who needed additional assistance in reading and math, extra lab time was scheduled using the Study Island, Read 180, and USA Test Prep computer programs.

Beyond the classroom, students have had an impact on the community. The FBLA has an active recycling program and has won the National Green School award for the third year in a row. Our FBLA has the largest middle school participation in the state and the middle level state representative is from our school. The goal for Relay for Life was surpassed, and funds were also raised for March of Dimes, the American Heart Association, and Operation Christmas Child. During the holidays, we participated in "Shower Shaw with Cookies" to show support for the men and women stationed at Shaw Air Force Base.

The Ebenezer School Improvement Council was involved in keeping updated with Title One information, ways to beautify the school, and teacher support.

Our primary goal for the 2014-2015 school year will be a continued focus on reading in the content areas. These skills will help our students throughout their lifetime and our school motto "Learning to Be Tomorrow's Leaders" will have real meaning for each of us.

Ebenezer Middle School has an open door policy. We invite parents and community members to see student learning at its best.

Helen Hutto-Palka, School Improvement Council Chairman

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	75.3
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Ebenezer Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
